

Breakfast and Lunch Program

Overview:

- Students have the option to order breakfast and/or lunch daily.
- Breakfast & lunch are homemade and prepared at Dover Elementary School.
- All meals are free for this schoolyear.
- Students may purchase milk to have with a lunch brought from home.
- Please be aware that if your child receives free or reduced-price meals, the program **only** pays for full meals. If they choose to just order milk you will be charged \$0.50.

Details:

- We have included an Application for Free and Reduced-Price School Meals.
- Families are encouraged to fill out the free or reduced meal application, as every application received helps our school to be awarded small grants. You may fill out an application at any time throughout the school year, as sometimes family circumstances change during the year.
- When a new application is filled out and returned; you will be **notified whether your child is eligible for free or reduced meals. If your child(ren) qualifies for free or reduced meals, your child(ren) will be eligible for the entire school year.**
- Lunch offers one hot meal option daily OR the option of a ham, turkey or sun butter jelly sandwich and the option to purchase milk only.
- Information regarding the Free and Reduced Meal Application is included.
- Students have the option to participate in the breakfast & lunch program daily.

Ordering Information:

No pre ordering necessary.

Breakfast will be bagged and available for students to take to their classroom.

Lunch orders are taken each morning at the start of the school day.

Payment: Meals are free to all students for the 2021-2022 schoolyear.
